2.2 Notwithstanding anything else in this Agreement but subject to the Consumer Protection Law clause of this Service Schedule, you agree that:

- (a) to the extent permitted by law, the Service is provided 'as is' and without warranty of quality of availability;
- (b) use of the Service is at your own risk, except to the extent we (or our contractors') have acted negligently;
- (c) you are using a public, unfiltered internet connection and should take all precautions for the security and filtering (if applicable) of your information;
- (d) you are responsible for any loss or damage to equipment, device or to any information or other data that may result from you use of the Service, except to the extent such loss or damage is caused or contributed to by our (or our contractors') negligence;
- (e) , there may be interruptions, delays, omissions, inaccuracies with the Service and that it may not be available at sometimes;
- (f) subject to clause 2.3, and to the extent permitted by law, you release nbn and its related bodies corporate, affiliates, directors, officers, agents, employees, contractors or representatives, but excluding Customer, (Released Parties) from any and all liability that may arise in connection with the Service or your use of the Service; and
- (g) you hold the benefit of this clause for and on behalf of the Released Parties, and any of the Released Parties may enforce this clause as if it were party to this agreement.

2.3 Clause 2.2(f) does not apply to a claim by you for loss or damage suffered or incurred by you arising from or in connection with:

- (a) any damage to, or loss of, tangible property to the extent that such losses are caused or contributed to by nbn™, its Related Bodies Corporate or any of their respect Personnel or third-party suppliers; or
- (b) the death or personal injury of any person to the extent caused or contributed to by:
  - (i) negligent or wilful acts or omissions of nbn its Related Bodies Corporate or any of their respective Personnel or third-party suppliers; or
  - (ii) any equipment or network owned, operated or controlled by nbn.

## 3 Equipment

---

3.1 Risk of loss or damage to the Equipment transfers to you on delivery.

3.2 Title to each item of Equipment transfers to you once you have paid for the Equipment in full. Once title has transferred to you, we will have no right, title or interest in or to Equipment.

3.3 You must promptly return the Equipment to us or any location we specify, at your cost and risk:

- (a) if any of the Equipment is not, in our reasonable opinion in good working order, condition and repair (except for ordinary wear or tear), upon its return to us we may charge you (at our option):
  - (i) our reasonable costs in restoring and refurbishing the Equipment; or
  - (ii) the cost of replacing the Equipment.

## 4 Charges

---

4.1 The charges payable by you to us for each Service are set out in the Service Order Form for that Service and may include:

- (a) a fixed non-recurring charge (NRC);
- (b) a fixed monthly recurring charge (MRC); and/or
- (c) a variable usage charge for your Bandwidth usage in excess of your committed Bandwidth

# SERVICE SCHEDULE – TELSTRA NBN SATELLITE SERVICES (TnSS)

plan. Additional Bandwidth usage will be charged in increments of 100GB.

4.2 Fixed monthly recurring and non-recurring charges are payable in advance.

## 5 Term and Termination

---

5.1 The Service Term for each Service provided under this Service Schedule commences on the Service Start Date and continues for the Service Term unless terminated or renewed.

5.2 If you downgrade your Service, your Service Start Date will be for the specified Service Term from the beginning of the next Invoice Period.

5.3 The Initial Period for a Service is specified in the Service Order Form for that Service, or if no period is specified then the Initial Period is 12 months (**Initial Period**).

## 6 Service Provisioning Times

---

6.1 All delivery dates and installation costs noted within the Service Order Form are only indicative until a feasibility study has been conducted. Once the feasibility assessment is completed, we will notify you in writing of the delivery date (**Firm Delivery Date**).

6.2 All provisioning lead times are during Business Hours.

6.3 Where the Service Order for a Service is changed at your request, then the Firm Delivery Date initially provided will not apply unless a new feasibility assessment is conducted. We will advise you on a new Firm Delivery Date upon completion of an updated feasibility assessment.

6.4 Service Start Date initiates upon completion of the installation as confirmed by your technical point of contact on site.

## 7 Site Survey

---

7.1 After acceptance of a Service Order Form, we will carry out a service delivery site survey (**Site Survey**) for the relevant Service. If the Site Survey reveals that the Service is unavailable or additional costs (including costs arising from capital works, on-site cabling or wiring or building management charges) are required to deliver the Service, we may propose an amendment to the Service and the charges for the Service by notice to you. If you do not accept the amended Service or the amended charges, you may cancel the Service provided that you reimburse us of any third-party costs that we reasonably incur in anticipation of providing the Service to you and that cannot be reasonably avoided by us in relation to your termination of the impacted Service.

## 8 Service Providers

---

8.1 You acknowledge that we will be contracting with Service Providers for the supply of Satellite Capacity Satellite equipment, on-site services and any other services for the provision of the Service.

8.2 Notwithstanding that we use a Service Provider, we are the supplier to you and the Service Providers have no liability to you.

## 9 Service Level Targets

---

9.1 From the Start Date, the target Service Availability for each nbn Satellite Service is 99.7% (**Service Availability**).

9.2 Service Availability indicates the percentage of time a Service is available to you in each Quarter (**Service Availability Period**) and is calculated as follows:

$$\text{Service Availability (\%)} = 100 - \frac{N}{T}$$

where: N = total number of minutes where the Service is unusable

T = total period of the Service Availability Period (calculated in minutes)

9.3 If the actual service availability of a Service falls below the Service Availability during a Service Availability Period, you are entitled to a rebate for that Service Availability Period.

9.4 The rebate is calculated by reference to a percentage of monthly recurring charges payable in the Service Availability Period equivalent to the percentage of Service Unavailability in the Service Availability Period for the affected Service.

9.5 Subject to the Consumer Protection Law clause of this Service Schedule, we will not be liable for

# SERVICE SCHEDULE – TELSTRA NBN SATELLITE SERVICES (TnSS)

failing to provide the Service (including failing to meet a Service Level) arising from:

- (a) suspension of the Service in accordance with the Agreement;
- (b) any interruption of the Service as agreed by us and you;
- (c) faults or unavailability due to an Exclusion Event, scheduled or unscheduled emergency supplier maintenance, repairs, installation or testing. We will notify you in writing when we are made aware of any such fault or unavailability;
- (d) any fault with supplier satellite(s) whereby the satellite(s) is taken out of commercial operation, unless a replacement is put in place and except to the extent such a fault is caused or contributed to by our (or our supplier's) negligence. We will notify you in writing when we are made aware of such fault;
- (e) your failure to comply with and observe our policies and procedures, Service Guide; or
- (f) unavailability of your relevant personnel at times necessary for testing or connection.

## Operational Assurance Targets

- 9.6 Operational Assurance Targets will be as per the defined Assurance Level which you have selected within the Service Order Form and Service Guide.
- 9.7 Available Operational Assurance Targets will differ between remote support and support requiring site visits. Targets are as noted within your Telstra nbn Satellite Service Guide (**Service Guide**).
- 9.8 Subject to the Consumer Protection Law clause of this Service Schedule, we do not guarantee but will make reasonable efforts to meet the targets and timeframes in the Service Guide.
- 9.9 If you opt to upgrade or downgrade your Operational Assurance Level this change will only be applied within the next Invoice Period.

## 10 Maximum Credit Entitlements

---

- 10.1 To claim a rebate, you must follow the procedure set out in the Agreement Terms. Each Service Level is also subject to Exclusion Events set out in the Agreement Terms and this Service Schedule.
- 10.2 Subject to the Consumer Protection Law clause of this Service Schedule, rebates and any rights to cancel a Service under the Service Levels are your sole remedy for our breach of a Service Level. Other than as expressly provided in this Agreement and subject to Consumer Protection Law provisions in this Service Schedule, we do not warrant or guarantee that the Services will be available to you on demand or continuously during the Service Term.
- 10.3 The aggregate rebate payable in a month under these Service Levels in respect of a Service is subject to a maximum of 30% of the monthly recurring charges for the affected Service in that month.
- 10.4 If for a Service, in a month you are entitled to make a claim for a rebate in respect of more than one Service Level in relation to the same event or outage, you may only make a claim for a rebate in respect of one of those Service Levels.

## 11 Early Termination Charges

---

- 11.1 If you cancel a Service for any reason other than our material breach of this Agreement at any time:
  - (a) prior to the Service Start Date for that Service, you must pay us an Early Termination Charge (**ETC**) in the amount of the costs reasonably incurred by us as a result of the termination including any reasonable amounts payable to our Service Provider as a result of the cancellation of the Service(s); or
  - (b) during the Service Term, the ETC is amount equal to the actual costs and expenses that we have incurred or committed to in anticipation of providing the Service to you and that cannot be reasonably avoided by us as a result of the cancellation,

which will not exceed an amount calculated as:

ETC = 100% of Remaining Equipment Charges + (Shortfall Period x Monthly Recurring Service Charges)

- 11.2 If you downgrade a Service, your ETC will be calculated as above except your:

# SERVICE SCHEDULE – TELSTRA NBN SATELLITE SERVICES (TnSS)

- (a) Remaining Equipment Charges will be calculated from their original Term and;
  - (b) Monthly Recurring Service Charges will be calculated from your new Service Start Date as per your new downgraded service charges, set out in your Service Order form.
- 11.3 If you do not pay any undisputed amounts due by the due date, we may, at any given time by giving you at least fourteen (14) days' notice:
- (a) refuse to provide any new Telstra nbn Satellite Services to you;
  - (b) suspend or limit your existing Telstra nbn Satellite Services.

## 12 Exclusion Events

---

- 12.1 Subject to the Consumer Protection Law clause of this Service Schedule, we are not liable for failing to provide the Satellite Service or otherwise failing to perform our obligations under this Service Schedule due to circumstances beyond our reasonable control including:
- (a) Satellite malfunction;
  - (b) suspension of the Service in accordance with the Service Schedule;
  - (c) solar interference with a Service;
  - (d) a change to applicable laws or regulations requiring changes to the Satellite Service;
  - (e) abnormal power conditions (including power failure);
  - (f) unavailability or delay in the availability of Equipment or transportation in connection with any aspect of the Satellite Service;
  - (g) being unable to obtain Approvals or a delay in the granting or obtaining Approvals from the relevant public authorities;
  - (h) unscheduled emergency maintenance in connection with the Satellite Service; or
  - (i) our inability to gain access to Your Site for maintenance or fault rectification in connection with the Service,
- except to the extent any of the circumstances in paragraphs 12.1(a) to 12.1(i) are caused or contributed to by our (or our subcontractors') negligence or breach of contract) or
- (j) you failing to meet your obligations under this Service Schedule;
  - (k) your failure to release the Service for maintenance or troubleshooting;
  - (l) any interference or damage you cause to the Satellite Equipment;
  - (m) your use of the Satellite Service in violation of our instructions; or
  - (n) changes made to any part of a Satellite Service by anyone other than us (or our subcontractors).

## 13 Cessation of Supply

---

- 13.1 We may limit, suspend or cancel the provision of a Service or transfer you to a reasonably comparable alternative service at any time by giving you written notice if a Service Provider ceases to supply, or gives us notice of its intention to cease to supply the services necessary for us to supply a Service to you. If we transfer you to a reasonably comparable alternative service and this has more than a minor detrimental impact on you, you may cancel your service without having to pay any early termination charges for that service.
- 13.2 Where possible, we will attempt to give you reasonable notice of a change in supply of the Service to you.
- 13.3 In addition to the termination rights under this Service Schedule, Early Termination Fees/Charges apply where a cessation is caused by your act or omission.

## 14 Consumer Protection Law
